2.1 Property described below is apparent good order except as noted (contents and conditions of containers or packages unknown), sealed, consigned, and delivered as indicated below, which said carrier warrants its seaworthiness throughout this contract by assuming any person or corporation is the owner of the property herein contracted; agrees to carry it to the stated place of delivery at and under the terms and conditions set forth hereon, adheres to deliver to another carrier en route to said destination. It is mutually agreed between said carrier and shipper that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Commercial Freight Bill of Lading set forth (1) in Official, Standard, Western and Illinois Freight Classification in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable water carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back hereof, and that in the classification or tariff which governs the transportation of the said shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his consignee.

CONSIGNED TO

ADVANCED ENVIROTECH COMPANY
P.O BOX 152
MILLTOWN NEW JERSEY 08850

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a message of condolence to the people of the State of California, who have been afflicted by a severe drought and famine. The President expresses his sympathy for the suffering and his hope that the Congress will take prompt action to relieve the distress.
